Paper No./Mail Date _____
7. ☒ Examiner's Amendment/Comment
8. ☐ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____

Art Unit: 3677

EXAMINER'S COMMENT

Claims 1-36 are allowed over the prior art of record.

Applicant's amendment filed 5 August 2004 has overcome the claim objections to claims 1, 5, 7, 12 and 16 indicated in the prior Office action mailed 19 July 2004 in view of the respective incorporated claim amendments. Therefore, the claim objection(s) have been withdrawn.

Applicant's amendment filed 5 August 2004 has overcome the rejections to claims 2-7 under 35 U.S.C. 112 in view of the amendment to claim 2.

The rejections to claims 1, 18 and 19 under 35 U.S.C. 102(b) as being anticipated by Cave ('879) have been withdrawn in view of applicant's amendment to 1, 18 and 19, and in view of applicant's remarks in the paragraph bridging pages 11 and 12 of applicant's response filed 5 August 2004 pertaining to wherein Cave ('879) does not disclose the combination of a clip containing a stack of trays, and secondly, Cave ('879) does not disclose wherein the first resilient members are not connected to proximal ends to the side walls and at distal ends to the back wall. New claims 20-36 are allowed in view of applicant's remarks pertaining to wherein Cave ('879) does not disclose the combination of a clip containing a stack of trays, and a method for storing a stack of semiconductor trays.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert J. Sandy whose telephone number is 703-305-7413. The examiner can normally be reached on M-F (7:30-4:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, J.J. Swann can be reached on 703-306-4115. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
